

# PORT PHILLIP ESTATE

- Pinot Noir
- Shiraz
- Chardonnay
- Sauvignon Blanc

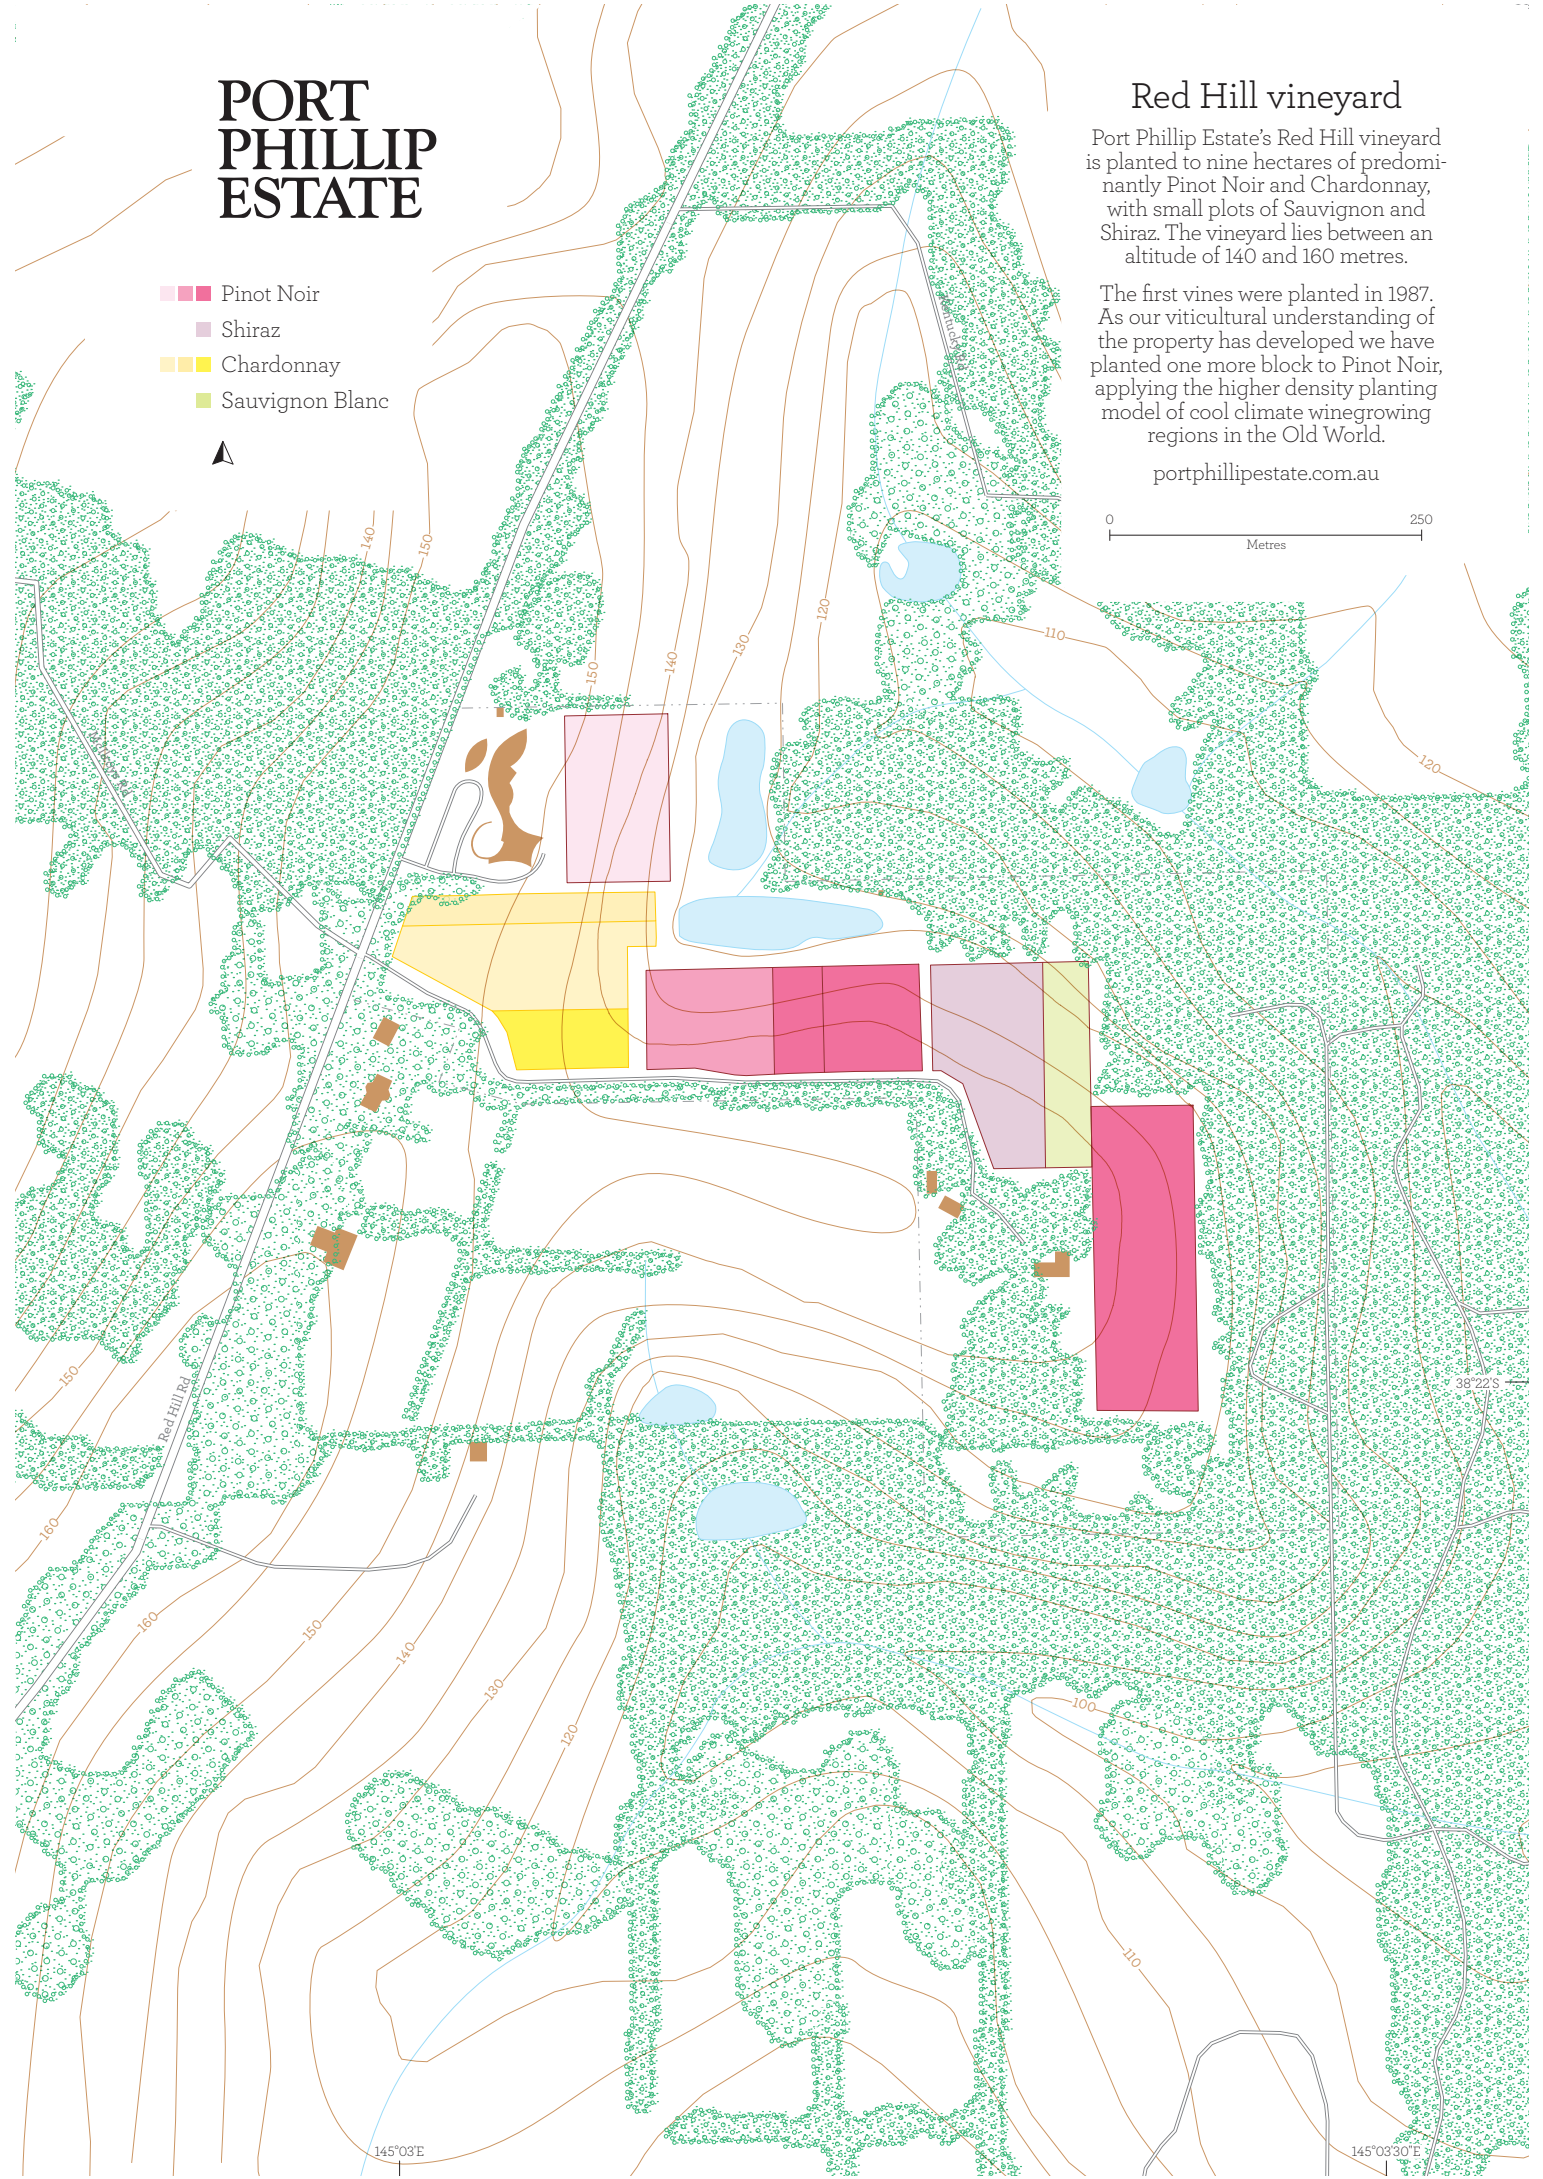

## Red Hill vineyard

Port Phillip Estate's Red Hill vineyard is planted to nine hectares of predominantly Pinot Noir and Chardonnay, with small plots of Sauvignon and Shiraz. The vineyard lies between an altitude of 140 and 160 metres.

The first vines were planted in 1987. As our viticultural understanding of the property has developed we have planted one more block to Pinot Noir, applying the higher density planting model of cool climate winegrowing regions in the Old World.
