## Tuerong vineyard

Our Tuerong vineyard is planted to 40 hectares of Pinot Noir, Chardonnay and Pinot Gris and lies between an altitude of 100 and 120 metres.

The first vines were planted in 1996 and the original blocks comprise five distinct sites, three of which are planted to Pinot Noir and two to Chardonnay.

As our viticultural understanding of the property has developed we have planted two more blocks to Pinot Gris and Pinot Noir, applying the higher density planting model of cool climate winegrowing regions in the Old World.
