

Port Phillip Estate Salasso Rosé 2019 – Reviews

Wine Front, November 2019

The style, the price, the quality. It deserves to be more celebrated.
A lovely drink. A stylish one. Both squeaky clean and complex.
Twigs, strawberries, toffee apples, dry spice notes. Good
extension. Makes you want more. And feels elegant all the while.
If it was a person, you'd envy it.
