## Massale by Kooyong 2020 – Reviews

---

The Wine Front, August 2021

Campbell Mattinson

It's fermented in open vats and then aged in puncheons (10% new) and foudre. It's a sinewy style, frisky you could say, with twiggy red cherry and strawberry flavours bound to smoky sulphide/reductive elements. It's a light, aromatic style/release.

90 points

The Real Review, August 2021

Huon Hooke

Light to mid-red-purple colour, youthful and bright, with strawberry and raspberry giving it a very aromatic fruit-driven bouquet. It's light-bodied and medium-intensity, with a firm backbone of tannin.
