

Massale by Kooyong 2021 – Reviews

Wine Front, March 2022

Gary Walsh

Red cherry, spiced strawberry, subtle oak. It's delicate, but precise, with bright red fruits, a subtle sappiness, fine emery tannin, and a fresh and juicy red fruit finish of fine shape and length. A smattering of dried herb and meaty reduction finishes it off. Charming, understated, and really good to drink.

Medium-depth, bright ruby-red colour. Dark cherry, smoked meat and sage aromas. Dark cherry fruit with good concentration, some complexing herbal notes as well. Fine tannins have the power to balance the fruit and it carries quite long to a dry finish.
