

## Port Phillip Estate Amber Pinot Gris 2021 – Reviews

A new wine from PPE. Spends 12 days on skins then into old French oak. Blood orange tang, pear and some rosy perfume. It's fine and fresh, really cool and clean, with fine emery board tannin grip, subtle red fruit and pear, with plenty of crunch and brightness on a long tight finish, offering discreet orange peel bitterness. Really lovely. A wonderful debut.
