It has the most gorgeous copper hue and while it's distinctly savoury around the edges it's also deliciously refreshing in a fruit-driven way. Redcurrant and strawberry with earth, vanilla cream, orange blossom and dried herb highlights. It's a delightful wine to drink: tart, fruity, savoury, energetic and precise, all at once.

A light and enticing copper hue. When slightly chilled, this Rosé means Summer in a glass. Really lovely aromatics: all florals and red berries, quite spicy too. Starts fruit-sweet on the palate then savouriness takes over all the way to a dry, fresh finish. Excellent Rosé in anyone's book.
