

Kooyong Farrago Chardonnay 2020 – Reviews

Halliday Australian Wine Companion 2023, August 2022

Jane Faulkner

Both single-vineyard chardonnays are on song, as Farrago opens up to reveal layers of flavour from stone fruit, citrus to creamy lees with tight yet refreshing acidity reining everything in. It's luscious without being heavy, with plenty of energy and drive. This is a touch racier than Faultline, yet both are moreish and satisfying.
