Everything you'd want in a pinot gris and more. Poached pears, baked apple, ginger cream with slick texture. Lots of flavour all the way through, without being heavy. Neat phenolics add to its complexity.

Pale lemon and lime colour. Poached pears and clove spices on the nose. Medium weight with an oily texture that ensures it fills the senses and glides long. Ripe pear, honey and vanilla florals show through and there's a swish of acidity at the finish to ensure clarity at the end 30 JUN 2023.
