A wonderful example of region and variety. Bright cherry and raspberry aromas with a little dried herb character. The palate is intense with a slightly chalky mouth feel. Impeccable oak and fruit balance with the of large format foudres allowing the fruit to express itself beautifully

Bright and youthful in appearance. Complex aromas of dark cherry, earth, chalk, sap, pot-pourri, bramble and spice. Fleshy, youthful, red and blue fruit driven, with plenty of grip, texture and presence. It has lovely concentration, sophistication and balance.
