Beurrot by Kooyong 2025 – Reviews

Honeysuckle, grapefruit, citrus rind and potpourri. This pinot gris puts on a bit of a show. It's fruit-rich and characterful at once, with very good intensity and lots of lift and life. In the end there's lots to like.

Subtle sweet spices of nutmeg and vanilla mix with green pear and fresh thyme on the nose. The gentle palate coaxes out flavours of pear, grass and roasted fennel while a refreshing line of acidity brings balance. This offers interest in the world of gris.
