

Beurrot by Kooyong 2025

The Kooyong vineyard is located on the Mornington Peninsula at Tuerong, on Miocene sedimentary soils. Our wines are made from domain grown, handpicked grapes and aim to manifest terroir: the integration of our geology and soils with the macroclimate of our region, the mesoclimates of the various sites within our vineyard and the weather of the annual grape growing season. Our cultural operations in the vineyard and practices in the winery endeavour to articulate these unique characteristics diligently, respectfully and without artifice.

Vineyard

Beurrot comprises two Pinot Gris parcels: the tiny original 0.24 hectare section annexing the Meres block, and the all-Pinot Gris block which, at 2.74 hectares, provides the majority of the fruit. The large block is planted to a density of 5600 vines per hectare.

Winemaking

The fruit was handpicked and gently whole-bunch pressed directly into old French oak barriques where fermentation commenced spontaneously with ambient yeasts. Following fermentation, the wine was aged on lees for 6 months and the wine was racked only once, directly prior to bottling. The wine was bottled without fining and with minimal filtration.

Vintage

A near-perfect growing season with nature providing ideal conditions for our vineyards. Although the 2024 Winter was mild, it provided excellent rainfall, with 185 mm falling throughout June, July and August. This balance of warmth and moisture

Tasting Notes

created an optimal environment for vine growth and fruit development.

Budburst commenced in the second week of September, and favourable Spring weather conditions contributed to uniform berry growth with deep green canopies to power the ripening. Veraison commenced on 3 January, earlier than the last few seasons. Warm, dry conditions in Summer with very little rain posed challenges from a water perspective. In a first, all three of our vineyards, Tuerong, Balnarring and Red Hill were being picked at the same time. Thanks to the tireless work of both the vineyard and winery teams, we were able to pick and process all parcels of fruit at the ideal time. All varieties excelled with the early season and dry and warm conditions. The winery was full for the first time since 2021, with yields returning to long-term averages.

Tasting Note – November 2025

Classic Beurrot characters of fresh pear, Pink Lady apple, and subtle citrus lead the nose, complemented by white florals and gentle spice. The palate is bright and finely balanced, showing pear, apple, and a hint of grapefruit. A touch of lees-derived creaminess adds depth through the mid-palate, while fine phenolics and a crisp acid line provide texture, focus, and length.
